

PodCast Story Board:

Use the Grid below to brainstorm your PodCast. You can draw it like a comic book. This will help you plan your whole episode before you begin shooting video. Include notes to help you remember scene changes, who is speaking, material to be used. You can then pair this up with your script as you are editing video to make editing a lot easier.

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16

17	18	19	20
21	22	23	24
25	26	27	28
29	30	31	32
33	34	35	36
